

**THE EASY WAY  
TO WASTE LESS**

## RECOLLECTING IS EASY!

1

Collect your materials in your ReCollective Bags.

2

ReCollective picks up your bags once a month and leaves clean bags for next month.

3

ReCollective finds creative reuse and recycling solutions so your stuff stays out of the landfill.

Plastic Film (Bags)

Textiles

Styrofoam

Batteries/Bulbs

Reco Pick

Add-Ons

## ReCollective members receive,

- Reusable canvas collection bags
- A large waterproof bag for collection day
- 55-gallon bag for Styrofoam

Materials are sorted, packaged, and supplied to local businesses and community organizations for recycling or reuse.

The ReCollective works with these recycling and creative reuse partners to divert your unwanted stuff away from the landfill and into a second life!

Various local community organizations and charities
